

**SASKATCHEWAN ASSOCIATION OF VETERINARY TECHNOLOGISTS INC.
CONTINUING EDUCATION CREDIT FORM**

Continuing Education is mandatory to maintain Active Membership. Continuing Education adds to our credibility and helps us develop as a profession. In attending continuing education events, technologists show initiative in learning about new techniques, products and trends in the industry that will benefit their clients.

BYLAW 5.2.3 *To maintain active membership, a member must accumulate a minimum of 20 continuing education credits every two (2) years, beginning January 1 of the year following date of registration.*

20 CREDITS are to be earned over a **TWO-YEAR period**, inclusive from January 1 to December 31. The original form with credits entered (on the reverse side) should be submitted each time you renew your membership (January 1st – every year). **If you are unsure how many credits should be awarded for a seminar, please write the number of hours or days that was involved with the seminar.** Keep a photocopy for your records. Your credits are recorded and are cumulative in the two-year period. A **witness** is a member of any AHT/VT Association, or Veterinary Association.
