

## Continuing Education Credit Record

Continuing Education is mandatory to maintain Active Membership. Continuing Education adds to our credibility and helps us develop as a profession. In attending continuing education events, technologists show initiative in learning about new techniques, products and trends in the industry that will benefit their clients.

**BYLAW 5.2.3** To maintain active membership, a member must accumulate a minimum of 20 continuing education credits every two (2) years, beginning January 1 of the year following date of registration.

**20 CREDITS** are to be earned over a **TWO-YEAR period**, inclusive from January 1 to December 31. The original form with credits entered (on the reverse side) **must be submitted each time you renew your membership**. Keep a photocopy for your records. Your credits are recorded and are cumulative in the two-year period. A **witness** is a member of any AHT/VT Association, or Veterinary Association.

You may view your point's total/CE term online when logged into your account at [www.savt.ca](http://www.savt.ca).
