

Wage Comparisons Over the Years in Saskatchewan for RVTs

The following is an outline of some of the wage survey information that the Saskatchewan Association of Veterinary Technologists (SAVT) has amassed in member surveys between 2008 and 2021.

Average & Median Wages	2008	2015	2017	2019	2021
	Average	\$21.58	\$22.56	\$24.73	\$25.44
	Median	\$19.50	\$20.61	\$22.00	\$24.00

Due to some of the data collected over the years some of the information in the charts below are provided as an average and some are provided as a range.
